The Disclosure Statement complies with the requirements of 11 U.S.C. §§ 101-1330, as amended on October 8, 2005 (the "Bankruptcy Code"), and the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and contains adequate information as that term is defined in section 1125 of the Bankruptcy Code. Specifically, but without limitation, the Disclosure Statement complies with the requirements of Bankruptcy Rule 3016(c) by sufficiently describing in specific and conspicuous bold language the provisions of the Plan that provide for releases and injunctions against conduct not otherwise enjoined under the Bankruptcy Code and sufficiently identifies the persons and entities that are subject to the releases and injunctions.

B. Nothing has come to the attention of the Court to suggest that all currently material information regarding the Debtors and their subsidiaries, their respective assets, affairs,

and financial condition, and the reorganization and restructuring provided for under the Plan has not been set forth in the Disclosure Statement and the Debtors' public filings with the Securities and Exchange Commission (or the exhibits or appendices thereto) incorporated in the Disclosure Statement.

C. The Debtors' notice to all parties-in-interest of the hearing on the Motion, the Disclosure Statement Hearing, and the time fixed for filing objections to the Disclosure Statement was good and sufficient under the particular circumstances, and no other or further notice need be given.

D. The Debtors' proposed solicitation procedures, as described more fully in the Motion, are fair and reasonable.

E. The Debtors' proposed procedures for transmitting the Disclosure Statement, the Plan, the Ballots (as defined below), and the voting instructions are adequate and comply with the requirements of Bankruptcy Rule 3017(d) and (e).

F. Good and sufficient cause exists under Bankruptcy Rule 3017(d)(4) for the establishment of the Record Date as a date other than the date this Order is entered.

G. The Debtors' proposed cure claim procedures, as described more fully in the Motion, are fair and reasonable.

H. The Debtors' proposed procedures for resolving disputes relating to postpetition interest, as described more fully in the Motion, are fair and reasonable.

I. Upon the record of the Disclosure Statement Hearing and these cases, the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, their interest holders, and other parties-in-interest.

Accordingly, it is hereby

ORDERED, ADJUDGED AND DECREED THAT:

2. Notice of the Disclosure Statement Hearing was properly and timely given and was sufficient. No further notice is necessary or required with respect to the Court's consideration of the Motion or the Disclosure Statement including any Potential Amendments.

4. The reservation of rights made on the record at the hearing held on December 6, 2007 regarding the Equity Committee's reservation of rights to assert claims, interests, defenses, or offsets against any and all holders of equity in these Chapter 11 Cases solely within Class 1G-1 with respect to the allocation of Plan consideration among holders of Existing Common Stock based on the facts and circumstances in these Chapter 11 Cases and the reciprocal reservation of rights made by counsel on behalf of the Plan Investors with respect to the rights reserved by the Equity Committee on the record at the hearing of the same date are incorporated herein and all such rights are reserved in all respects.
5. Approval Of Disclosure Statement. Pursuant to Bankruptcy Rule 3017(b), (i) the Disclosure Statement (Docket No. 11388) is approved as containing adequate information within the meaning of section 1125(a) of the Bankruptcy Code and (ii) to the extent not withdrawn, settled, or otherwise resolved, all objections to the Disclosure Statement are overruled on the merits.

add further disclosure concerning events occurring at or after the Disclosure Statement Hearing, before distributing it to each person and entity in accordance with the terms of this Order; provided, however, that the Debtors shall file copies with the Court of any changed pages blacklined to show such changes.

7. Confirmation Hearing Date; Objection Deadline. The hearing (the "Confirmation Hearing") to consider confirmation of the Plan, as the same may be further modified or amended, shall commence on January 17, 2008 (the "Confirmation Hearing Date"), at 10:00 a.m. (prevailing Eastern time), or as soon thereafter as counsel can be heard, before the undersigned United States Bankruptcy Judge, in the United States Bankruptcy Court, Alexander Hamilton Custom House, One Bowling Green, New York, New York 10004. 11. The Voting Agents shall transmit the Solicitation Package to the following creditors, interest holders, and other parties-in-interest (with exclusions as noted herein): (i) the United States Trustee, (ii) all non-voting unimpaired creditors, (iii) equity holders, (iv) holders of claims or interests in non-voting Class I under the Plan, (v) persons or entities which timely filed a proof of claim reflecting a claim or portion of a claim that is unliquidated, and (vi) creditors holding claims in a class designated as impaired and entitled to vote on the Plan (A) who have filed timely proofs of claim (or untimely proofs of claim which have been allowed as timely by the Court under applicable law on or before the Record Date) that have not been disallowed by an order of the Court entered on or before the Record Date or (B) whose claims are scheduled in the Debtors' schedules of assets and liabilities dated April 18, 2006, or any amendment thereof (the "Schedules") other than those scheduled as (x) unliquidated, contingent, or disputed or (y) zero or unknown in amount and for which no proof of claim was timely filed. Creditors, if any, who have filed duplicate claims in a given class shall be entitled to receive only one Solicitation Package with respect to that class.

12. With respect to non-US holders of claims or interests in non-voting class I, the Debtors are authorized but not directed to include in (or provide in conjunction with) the Solicitation Package a translated Confirmation Hearing Notice and a translated notice of non-voting status. The Debtors shall not be required to cause to be translated any other documents contained in the Solicitation Package.

13. Not later than the Solicitation Date, the Debtors shall transmit, through the Voting Agents, the Solicitation Packages to all holders of the Debtors' Securities, or of claims based on those Securities where appropriate, including Class C General Unsecured Claims (Senior Note Claims), Class C General Unsecured Claims (TOPrS Claims), and Class G-1 Existing Common Stock Claims, by mailing or delivering the Solicitation Packages to (i) each registered holder of Securities as of the Record Date (collectively, the "Record Owners") and (ii) to each bank or brokerage firm, or the agent therefor, identified by the Debtors or the Voting Agents as an entity through which beneficial owners (the "Beneficial Owners") hold the Securities (collectively, the "Intermediary Record Owners"). In addition, the Debtors shall distribute master ballots to the Intermediary Record Owners in accordance with customary procedures in the publicly traded securities industry. Further, the Debtors shall distribute a ballot directly to registered record holders of common stock who hold the stock in their own name (and not in street name). Claims in Class E (Section 510(b) Note Claims), Class G-2 (Section 510(b) Equity Claims), and Class H (Section 510(b) ERISA Claim) shall be voted by their respective class action representatives, as approved by the Order Preliminarily Approving Multidistrict Litigation and Insurance Settlement entered on October 29, 2007 (Docket No. 10746) (the "Preliminary MDL Settlement Approval Order"), or putative members of the classes who filed Claims and opted out of the class and whose Claims have not been expunged by Court order.

14. Labels For Record Holders. To facilitate the distribution described in the immediately preceding paragraph, each of the indenture trustees and transfer agents for the Securities, including, without limitation, Wilmington Trust Company (as Indenture Trustee for the Senior Notes), Law Debenture Trust Company of New York (as Indenture Trustee for the Subordinated Notes), and Computershare Shareholder Services (as Transfer Agent of Existing Common Stock) or any successors thereto, shall, if and to the extent they have not done so

previously, provide to the Securities Voting Agent an electronic file containing the names, addresses, and holdings of the respective Record Owners of the Securities as of the Record Date or, if unable to provide an electronic file, two sets of adhesive labels and a list containing the same information no later than December 11, 2007.

15. Within five business days after an Intermediary Record Owner's receipt of the Solicitation Packages, the Intermediary Record Owner shall distribute the Solicitation Packages to the respective Beneficial Owners for which they hold Securities.

16. Voting By Beneficial Owners. Intermediary Record Owners are hereby authorized and directed to use the appropriate procedure set forth below for obtaining the votes of Beneficial Owners. First, the Intermediary Record Owners may forward the Solicitation Package to the Beneficial Owners of the Securities for voting, which package shall include a beneficial owner ballot substantially in the form of the beneficial owner ballots attached as part of Exhibit A to this order (the "Beneficial Owner Ballot") and a return envelope provided by, and addressed to, the Intermediary Record Owner. Upon receipt of the Beneficial Owner Ballots, the Intermediary Record Owner shall summarize the individual votes of its Beneficial Owners, as reflected on the Beneficial Owner Ballots, on a master ballot in substantially the form of the master ballots attached as part of Exhibit A to this order (each a "Master Ballot"). The Intermediary Record Owners shall then return the Master Ballot to the Securities Voting Agent prior to the Voting Deadline.

17. Alternatively, if an Intermediary Record Owner is unable to use the option above, it may prevalidate a Beneficial Owner Ballot (a "Prevalidated Ballot") by signing that ballot and by indicating on that ballot the identity of the Intermediary Record Owner, the principal amount or number of shares, as applicable, of Securities owned by the Beneficial Owner, and the appropriate account numbers through which the Beneficial Owner's holdings are

derived. The Intermediary Record Owner shall then forward a Solicitation Package, including the Prevalidated Ballot and a return envelope addressed to the appropriate Securities Voting Agent, for voting by the Beneficial Owner.

18. The Debtors are hereby authorized to reimburse Intermediary Record Owners for their reasonable and customary out-of-pocket expenses incurred in performing the tasks described above upon written request of the Intermediary Record Owner (subject to the Court's jurisdiction to resolve any disputes over any such request for reimbursement).

19. The Debtors shall serve a copy of this order on each indenture trustee, the transfer agent, and each Intermediary Record Owner identified by the Debtors and the Securities Voting Agent as an entity through which Beneficial Owners hold Securities.

20. Confirmation Hearing Notice. The form of notice of the Confirmation Hearing and the Confirmation Objection Deadline (the "Confirmation Hearing Notice") annexed hereto as Exhibit C is approved and shall be included in the Solicitation Packages distributed to all creditors and interest holders and all persons or entities on the Debtors' master service list. The Confirmation Hearing Notice complies with the requirements of Bankruptcy Rules 2002(c)(3) and 3017(f) by including in conspicuous bold language a statement that the Plan proposes releases and injunctions against conduct not otherwise enjoined under the Bankruptcy Code, describing briefly the nature of the releases and injunctions, identifying the persons and entities that are subject to the releases and injunctions, and providing those persons and entities that are not creditors or equity security holders with contact information to obtain a copy of the Plan and Disclosure Statement. As to those persons and entities subject to the releases and injunctions, and not receiving a copy of Exhibit C as provided herein, notice by publication as set forth above is sufficient notice as permitted by Bankruptcy Rule 2002(l). To supplement notice of the Confirmation Hearing, and to ensure proper notice of any releases and

injunctions contained in the Plan, the Debtors shall transmit the Confirmation Hearing Notice to parties to executory contracts and unexpired leases, which parties are not currently "creditors" as defined in section 101(10) of the Bankruptcy Code. In addition, the Debtors shall give supplemental publication notice of the Confirmation Hearing by causing the Confirmation Hearing Notice to be published not fewer than 25 days before the Confirmation Hearing in the New York Times (national edition), the Wall Street Journal (national, European, and Asian editions), USA Today (worldwide), the Automotive News (national edition), and in local editions of the following: the Adrian Daily Telegram, the Arizona Daily Star, the Buffalo News, the Chicago Sun Times, the Cleveland Plain Dealer, the Clinton News, the Columbus Dispatch, the Daily Leader, the Dayton Daily News, the Detroit Free Press, the Detroit News, the El Paso Times, the Fitzgerald Herald Leader, The Flint Journal, the Gadsden Times, the Grand Rapids Press, the Greensville News, the Indianapolis Star, the Kansas City Star, the Kokomo Tribune, the Lansing State Journal, the Laurel Leader, the Los Angeles Daily News, the Milwaukee Journal Sentinel, the Mobile Beacon, The Mobile Register, the Oakland Press, the Olathe Daily News, the Rochester Democrat and Chronicle, the Saginaw News, the Sandusky Register, the Toledo Blade, the Tribune Chronicle, the Tulsa World, the Tuscaloosa News, and The Vindicator.

21. Ballots. The Debtors' proposed forms of ballots, in substantially the forms annexed to this order as Exhibit A (as may be specifically modified for particular classes of claims or interests), are hereby approved for use in connection with the Debtors' solicitation of votes to accept or reject the Plan.

22. The Unimpaired Creditors in Classes A, B, and J are conclusively presumed to have accepted the Plan and solicitation of votes from those Creditors is not required. In lieu of a ballot and in accordance with Bankruptcy Rule 3017(d), the Solicitation Packages

mailed to the Unimpaired Creditors shall contain a notice of non-voting status substantially in the form of Exhibit D to this order.

23. The holders of claims and interests in Class I are conclusively presumed to have rejected the Plan and solicitation of votes from those creditors and interest holders shall not be required. In lieu of a ballot, the Solicitation Packages mailed to those creditors and interest holders, as well as holders of contingent and disputed claims, shall contain a notice of non-voting status substantially in the form of Exhibit E to this order. In addition, recipients of an objection to expunge their claim or interest shall receive a notice of non-voting status.

24. The deadline for the filing and serving of motions requesting temporary allowance of a movant's claim or interest for purposes of voting pursuant to Bankruptcy Rule 3018(a) ("Rule 3018(a) Motion(s)") shall be 4:00 p.m. (prevailing Eastern time) on January 2, 2008 (the "Rule 3018(a) Motion Deadline"); provided, however, that if the Debtors object to a claim or interest after December 21, 2007, the Rule 3018(a) Motion Deadline shall be extended for that claim or interest such that the deadline shall be ten days following the filing of the Debtors' objection. Rule 3018(a) Motions shall be filed with the Clerk of the Court and served on the Notice Parties in the manner set forth for objections to the confirmation of the Debtors' Plan. Any party timely filing and serving a Rule 3018(a) Motion shall be provided a provisional ballot and be permitted to cast a provisional vote to accept or reject the Plan. If, and to extent that, the Debtors and such party are unable to resolve the issues raised by the Rule 3018(a) Motion, then at the Confirmation Hearing, the Court shall determine whether the provisional ballot should be counted as a vote on the Plan.

25. Any holder of a claim or interest to which the Debtors filed objections requesting the Court to modify claims either in (a) amount, (b) Debtor or Debtor group, or (c) Plan class shall be allowed to vote in the amount and class set forth in the Debtors' objection.

Solicitation Packages shall be transmitted to the appropriate parties based upon the Debtors' records as of the Record Date. To provide notice to any holders of claims or interests of a change in voting status on account of an objection filed after the Solicitation Date and to provide notice of a claimant's right to file a Rule 3018(a) Motion, the Debtors shall provide such holders with the Notice To Parties Subject To A Post-Solicitation Date Objection, the form of which is attached hereto as Exhibit F and hereby approved as being in compliance with Rule 3018-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York. Any holder whose claim or interest has been estimated pursuant to the Estimation Order (Docket No. 9685), however, shall be allowed to vote in the amount set forth for that claim or interest therein, notwithstanding that this claim or interest is subject to a pending objection, subject to any intervening orders of the Court.

26. The filing of an avoidance action by the Debtor which includes no objection to a claim held by the defendant shall not, by itself, cause the defendant's claim to lose the benefit of deemed allowance under section 502(a) with respect to voting on the Plan. Alternatively, under Rule 3018(a), such claims shall be allowed temporarily for voting purposes, and not for the purposes of distribution or otherwise, but only if the claim would have been deemed allowed under section 502(a) but for the filing of the avoidance action.

27. When No Notice or Transmittal Necessary; Voting Deadline; Procedures For Vote Tabulation. Solicitation Packages shall not be sent to creditors whose claims are based solely on amounts scheduled by the Debtors and whose claims already have been paid in the full scheduled amount; provided, however, that if, and to the extent that, any such creditor would be entitled to receive a Solicitation Package for any reason other than by virtue of the fact that its claim had been scheduled by the Debtors, the creditor shall be sent a Solicitation Package in accordance with the procedures set forth above. In addition, the Debtors shall not be required to

send a Solicitation Package to any party who filed a proof of claim if the amount asserted in the proof of claim has already been paid. The Debtors, however, shall send the Confirmation Hearing Notice to any such party, who, for the foregoing reasons, shall not be sent a Solicitation Package.

28. The Debtors shall not be required to give notice or effectuate service of any kind upon any person or entity to which the Debtors mailed a Disclosure Statement Hearing Notice and received any of these notices returned by the U.S. Postal Service marked "undeliverable as addressed," "moved – left no forwarding address," "forwarding order expired," or a similar reason for return of the notice, unless the Debtors have been informed in writing by that person or entity of the person's or entity's new address.

29. Subject to paragraph 31(i) below, to be counted, ballots (including Master Ballots) for accepting or rejecting the Plan must be received by the appropriate Voting Agent not later than January 11, 2008, at 7:00 p.m. (prevailing Eastern time) (the "Voting Deadline"). Ballots must be returned to the appropriate Voting Agent on or before the Voting Deadline by (a) mail, in the return envelope provided with each ballot, (b) overnight delivery, or (c) hand delivery. Any ballot submitted by facsimile or other electronic means of transmission shall not be counted.

30. Any ballot timely received that contains sufficient information to permit the identification of the claimant or interest holder and is cast as an acceptance or rejection of the Plan shall be counted and shall be deemed to be cast as an acceptance or rejection, as the case may be, of the Plan. Each Record Owner or Beneficial Owner of a Security shall be deemed to have voted the full amount of its claims or interest relating to the Security, notwithstanding anything to the contrary on any ballot. The foregoing general procedures shall be subject to the following:

- (i) If a claim is deemed allowed in accordance with the Plan, that claim would be allowed for voting purposes in the deemed allowed amount set forth in the Plan,
- (ii) If a claim for which a proof of claim has been filed is marked as unliquidated or partially unliquidated, the claim, if fully unliquidated, shall be temporarily allowed for voting purposes only, and not for purposes of allowance or distribution, in the amount of \$1.00, and if the claim is partially unliquidated, the liquidated portion shall be similarly temporarily allowed at its liquidated amount for voting purposes and no amount shall be allocated for voting purposes on account of the unliquidated portion,
- (iii) If a claim is subject to a potential avoidance action, the action shall not, by itself, cause the claim to lose the benefit of deemed allowance under section 502(a) of the Bankruptcy Code with respect to voting on the Plan,
- (iv) If a claim has been estimated or otherwise allowed for voting purposes by order of the Court, the claim shall be temporarily allowed in the amount so estimated or allowed by the Court for voting purposes only, and not for purposes of allowance or distribution, and
- (v) If the Debtors have served and filed an objection to a claim at least thirteen calendar days before the Confirmation Hearing, subject to the filing of a Rule 3018(a) Motion, the claim shall be temporarily disallowed for voting purposes only and not for the purposes of the allowance or distribution, except to the extent and in the manner as may be set forth in the objection.

31. The following ballots shall not be counted or considered for any purpose in determining whether the Plan has been accepted or rejected:

- (i) Any ballot received after the Voting Deadline unless the Debtors have granted an extension in writing of the Voting Deadline with respect to that ballot, which extension of the Voting Deadline shall be subject to Court approval,
- (ii) Any ballot that is illegible or contains insufficient information to permit the identification of the claimant or interest holder, as the case may be,
- (iii) Any ballot cast by a person or entity which does not hold a claim or interest in a class that is entitled to vote to accept or reject the Plan,
- (iv) Any ballot cast on account of a proof of claim filed, or a Security purchased or otherwise obtained, after the Record Date,

- (v) Any ballot cast for a claim listed in the Schedules as unliquidated, contingent, or disputed and for which (i) no superseding proof of claim was timely filed and (ii) no Rule 3018(a) Motion has been filed by the Rule 3018(a) Motion Deadline,
- (vi) Any ballot cast in a manner that neither indicates an acceptance nor rejection of the Plan or that indicates both an acceptance and rejection of the Plan,
- (vii) Any ballot submitted by facsimile transmission or other electronic means of transmission, and
- (viii) Any unsigned ballot.

32. Notwithstanding Bankruptcy Rule 3018(a), whenever two or more ballots are cast voting the same claim or interest before the Voting Deadline, the last ballot received before the Voting Deadline shall be deemed to reflect the voter's intent and thus to supersede any prior ballots; provided, however, that where an ambiguity exists as to which ballot was the latest transmitted, the appropriate Voting Agent is permitted to contact the voting party and calculate the vote according to the party's stated intent. The foregoing shall be without prejudice to the Debtors' right to object to the validity of the second ballot on any basis permitted by law and, if the objection is sustained, to count the first ballot for all purposes.

33. Vote splitting shall not be permitted (except as it may relate to the procedures with respect to Master Ballots), and creditors and interest holders who vote must vote all their claims or interests within a particular class to either accept or reject the Plan.

34. For all persons or entities which timely filed a proof of claim reflecting a claim or portion of a claim that is unliquidated, the claim shall be allowed temporarily for voting purposes only, and not for purposes of allowance or distribution, for that portion of the claim that is not unliquidated. Fully unliquidated claims shall be counted for purposes of determining whether a sufficient number of the allowed claims in the applicable class has voted to accept the Plan, but the allowed amount of the fully unliquidated claim shall be \$1.00 for voting purposes,

subject to the right of the holder to file a Rule 3018(a) Motion under paragraph 24 hereof.

Unliquidated claims shall also include any claims that were the subject of prepetition litigation between the Debtors and the claimant as of the Petition Date.

35. For all persons or entities which filed a proof of claim reflecting a claim or portion of a claim that is contingent, the claim shall be disallowed in its entirety for voting purposes, subject to the right of such holder to file a Rule 3018(a) Motion under paragraph 24 hereof. Contingent claims shall include any claim that has been explicitly designated as contingent on the proof of claim form. Finally, contingent claims shall include any claims that were not the subject of prepetition litigation, but that otherwise involved an allegation of liability against the Debtors that was contested or otherwise was the subject of continuing, unresolved investigations as of the Petition Date.

36. The following procedures shall be used by the Debtors and the Securities Voting Agent for tabulating votes cast by holders of Securities:

- (i) Intermediary Record Owners required to use the Master Ballot voting process shall be required to retain for inspection by the Court the Beneficial Owner Ballots cast by Beneficial Owners for one year following the Voting Deadline, and Intermediary Record Owners required to send Prevalidated Ballots to Beneficial Owners for direct return to the respective Voting Agent shall be required to retain for inspection by the Court a list of those Beneficial Owners to whom the Prevalidated Ballots were sent for one year following the Voting Deadline.
- (ii) Votes cast by Beneficial Owners holding Securities through Intermediary Record Owners and transmitted by means of a Master Ballot or Prevalidated Ballot shall be applied against the positions held by the Intermediary Record Owners with respect to the Securities. Votes submitted by an Intermediary Record Owner on a Master Ballot or Prevalidated Ballot must not be counted to the extent they are in excess of the position maintained by the respective Intermediary Record Owner in the Securities on the Record Date.
- (iii) The following assumptions apply to Prevalidated Ballots: (i) each Prevalidated Ballot shall be for a single account and (ii) each vote shall be a separate vote and not duplicative of any other vote cast by other

customers of the Intermediary Record Owner (unless specific evidence exists that indicates that one vote is for the identical account number and amount of another vote).

- (iv) To the extent that conflicting votes or overvotes are submitted on a timely received Master Ballot or Prevalidated Ballot, the Securities Voting Agent shall attempt to resolve the conflict or overvote before the preparation of the vote certification.
- (v) To the extent that overvotes on a timely received Master Ballot or Prevalidated Ballot are not reconcilable before the preparation of the vote certification, the Securities Voting Agent shall count votes in respect of the Master Ballot or Prevalidated Ballot in the same proportion as the votes to accept and reject the Plan submitted on the Master Ballot or Prevalidated Ballot that contained the overvote, but only to the extent of the applicable Intermediary Record Owners' position on the Record Date in the applicable Securities.
- (vi) Intermediary Record Owners shall be authorized to complete multiple Master Ballots, and the votes reflected by the multiple Master Ballots shall be counted except to the extent that they are duplicative of other Master Ballots. If two or more duplicative Master Ballots submitted are inconsistent in whole or in part, the latest Master Ballot received before the Voting Deadline, to the extent of such inconsistency, shall supersede and revoke any prior Master Ballot, subject to the Debtors' right to object to the validity of the second Master Ballot on any basis permitted by law, including under Bankruptcy Rule 3018(a).
- (vii) Each Intermediary Record Owner or Beneficial Owner of the Securities shall be deemed to have voted the full principal amount (and with respect to the TOPrS, number of TOPrS), or number of shares held, notwithstanding anything to the contrary on the Ballot. Therefore, with respect to the Senior Notes and the TOPrS, the Securities Voting Agent may adjust any principal amount or number of TOPrS voted to reflect the corresponding claim amount, including prepetition interest.

37. The requirement under Rule 3018-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the certification of acceptance and rejections of the plan is modified to require the Voting Agents to file their certifications no later than 4:00 p.m. (prevailing Eastern time) on January 16, 2008.

38. To the extent that (a) an objection to confirmation of the Plan is timely and properly filed and served, (b) such objection opposes the classification of claims or interests

proposed under the Plan and requests the receipt of periodic reports during the solicitation period disclosing the interim tabulation of votes, and (c) the objector executes, or is party to, a stipulation and agreed protective order applicable to confirmation or a mutually agreeable non-disclosure agreement, then following the receipt of such objection through and including the filing of the voting report with the Court, the Debtors shall provide, or shall cause to be provided, to such objector on a highly confidential basis balloting reports on each business day that the Debtors receive balloting reports which disclose the interim tabulation of votes received and tabulated as of a specific date and time during the solicitation period (which date shall vary by report) and which shall, to the extent included in the Debtors' reports, include the tabulation broken down by type of claim and by Debtor (which may vary by report); provided, however, that counsel to the Statutory Committees, White & Case LLP on behalf of the Plan Investors, and Weil, Gotshal & Manges LLP on behalf of General Motors Corporation shall receive on a highly confidential basis balloting reports on each business day that the Debtors receive balloting reports without the necessity of filing an objection.

39. Service of all notices and documents described herein in the time and manner as set forth herein, including the service and publication of the Confirmation Hearing Notice and the Confirmation Hearing Publication Notice, as described in the Motion, shall be adequate and sufficient and no other or further notice will be necessary.

40. Plan Exhibits And Disclosure Statement Appendices Filing Deadline. The Debtors shall file all exhibits and schedules to the Plan and appendices to the Disclosure Statement with the Court on or before December 28, 2007 (the "Exhibit Filing Date"). The Cure/assumption dispute shall then be resolved following the effective date of the Plan. Parties which either agree with the cure of their supply contracts as set forth in the Cure Amount Notice or do not timely return the Cure Amount Notice shall be given plan currency (as provided to allowed general unsecured creditors including any postpetition interest) on account of their Cure Claim Amount as set forth in the Cure Amount Notice and in the amount set forth in such notice. The Debtors are authorized, but not directed, to remit resolved, uncontested, or adjudicated distributions on account of cure directly to the contract party whose contract is being assumed or assumed and assigned.

The Debtors shall be authorized to provide a notice titled Notice To Holders, Assignees, Transferees, And Purchasers Of Claims Of Cure Procedures Established Under Solicitation Procedures Order, the form of which is attached hereto as Exhibit P and hereby approved, to parties that may have purchased claims from certain of the Debtors' Material Supply Agreement counterparties who have been provided with a cure payment election pursuant

to the Cure Amount Notice. This shall be the only notice the Debtors shall be required to provide to these purchasers with respect to the cure and these purchasers shall have no rights or recourse against the Debtors with respect to the cure.

45. For those counterparties who will receive a Cure Amount Notice for whom the Debtors have multiple addresses for a single contract, the Debtors shall be authorized to transmit, on or before December 21, 2007, a notice, the form of which is attached hereto as Exhibit Q and hereby approved. If the Debtors disagree with the interest rate asserted in a returned Postpetition Interest Rate Determination Notice, they shall file an objection no later than 30 days after the effective date of the Plan. To the extent that the Postpetition Interest Rate Determination Notice is returned and contests the rate of interest and relates to a claim that would otherwise be allowed,

such claim shall no longer be deemed an allowed claim for purposes of distribution until the interest rate issue is resolved consensually or by Court order.
